

Steve,

Thank you for turning our reception, really our wedding, into a fantastic party! We have heard nothing but raving about you and the way you handled requests, mixed genres and kept the party going. We have already given your name/info and we will continue to refer sound choice at any opportunity. If there is any where you would like us to write a testimony ~~for~~ we would be happy to do so.

Thanks again!

Jessica + Ben  
Jahre
